Chief, Operations and Training Division, OC

Manufacture of Additional Transmitter Adaptors

25X1

REF : O&T 55-797, 19 December 1955

1. Due to additional requirements placed on us by other operating divisions it is necessary for us to increase our present requirements for Transmitter adaptors from 15 to 25 units.

25X1

2. The ten additional units may be manufactured as were the initial 15 units if you so desire.

25X1
